NOTICE OF CIVIL RIGHTSVIOLATION

TO: Mountain West Bank, Timothy Fox atty., Deputy Sheriff Rick Broadwater
hereinafter referred to as "Agents"
Property Identified as;

Dear Agents:

The Property Holder has exercised the rights given by the Uniform Commercial Code, and Federal Land Patent case law and others by disputing the unwarranted claim by Agent that the Property Holder owes Agents ~y money and/or personal property. These rights have been exercised in a timely manner previous to the unauthorized *and* unlawful Writ of Execution enforced by the County Sheriff. Mountain West Bank and its agent's have failed to provide proof of entitlement rights of the above mentioned property and remain in default of the Fair Debt Collection Practices Act with false and perjured testimony. This is an obvious Breach Of Contract, Violation of Oath, and a controversy exceeding Twenty One Dollars (\$21), among many other violations, and there are facts to be determined by a jury of the Property Holder's peers.

Therefore, the Agents cannot move forward in seizing and/or issuing and/or ordering fines to be applied without a 7th Amendment trial by Jury. If Agent proceeds in seizing and/or issuing and/or ordering fines to be applied without a 7th Amendment trial, the Agent will be violating his/her 8th Amendment fiduciary officer by failing to preserve the 7th Amendment civil rights of a United States citizen; therefore, this letter is being sent to the Agents and agents' representatives to give the Agents proper notice that the Agents are about to commit a CIVIL rights crime by not guaranteeing the Property Holder a fair Amendment trial before seizing and/or issuing and/or applying fines to the Property Holder's property. As the Agent knows, any Fiduciary Officer who seizes and/or liens; with full knowledge and intent is subject to ten (10) years mandatory prison time and a \$10,000 minimum fine (Rodney Kina v. Ventura).

If the Agent proceeds to violate the Property Holder's unalienable rights as protected by the Constitution, the Property Holder will use the fax and certified mail receipt to prove that the Agent was fully informed of said violation *and* that the Agent voluntarily, willfully and knowingly chose to commit said crime(s) against the Property Holder.

Moreover, any Executive, Legislative or Judicial Official who fails to respond to notification of such a civil rights crime and fails to uphold the Property Holder's unalienable rights as protected by the 7th Amendment to the Constitution will be charged with Misprision of Felony (18 USC §4) and with Treason, pursuant to Article 3 § 3 and Article 4 § 4 of the Constitution of the United States (the bylaws of the Corporation based in the District of Columbia) and pursuant to the Constitution of the United States of America (the contract of the sovereign independent nation-state-Republics with the Federal government that is limited to ten miles square situated within the Republics of Maryland and Virginia).

NOTICE is also hereby given that "a sheriff, constable, or other peace officer will be held liable in damages to any person injured in consequence of a breach of any of the duties connected with his office" in which their first and foremost duty is to serve and protect the property holder (see § 90 Generally; deputies - 70 Am Jur 2d SHERIFFS, POLICE, AND CONSTABLES).
